

The background is a gradient of dark blue and purple. On the left side, there are several concentric circles and a large circular scale with degree markings from 140 to 260. Some of the circles have arrows indicating a clockwise direction. The overall aesthetic is technical and futuristic.

HOW TO SIGN UP FOR SIGHT READING FACTORY

STEP 1:

- In your web browser, go to www.sightreadingfactory.com

STEP 2:

- At the top of the screen you will see the different menu tabs. Click on the the tab that says “Pricing”

STEP 3:

- On the right side of the screen you will see the category labeled “Students”. Under the “Students” category, click on the tab that says “Redeem a Student Code”

STEP 4:

- Enter the student code given to you by Ms. Hengler

STEP 5:

- Create your own username and password (make it something you'll remember)
- Sight Reading Factory will also ask you if you're 13 or older. Please answer honestly.

STEP 6:

- If you have an iOS device (i.e. iPhone or iPad) download the free app
- If you do not have an iOS device, simply login through the web browser

STEP 7:

- Login and enroll in your correct class section

STEP 8:

- All assignments are due by 10pm on Friday evening. If you are absent, please check to see what you missed.

STEP 9:

- How to Practice:
 - Click “Start Sight Reading”
 - Select your voice type (SATB)
 - Select Level 1
 - Select your time signature (stick to 2/4, $\frac{3}{4}$, or 4/4 for now)
 - Select your key signature (stick to C, G, or F for now. They are the ones we use in class)
 - If you’d like to add the solfege in, click on “Annotations” at the top and scroll down to “Moveable Do, LA based Minor)
 - Click on “regular practice”

STEP 10:

- If you do not have access to a device with a microphone, you will be able to sign up to record in the practice anytime during class or K-9. Be sure to bring headphones!
- This is only for people without access to a recording device (i.e. a smart phone, tablet, iPad, or desktop computer with a microphone)
